October 2017

Dear Member

We first want to thank you for your AEA membership and commitment to our Regiment's fraternal network. AEA members truly are the "Guardians" of our Regiment's history and traditions. Like the Engineer Memorial "Sapper" statue, standing guard over the Engineer Regimental grove, we AEA members stand guard with him.

Annually, the Army Engineer Association asks for your generosity by donating to the "Guardian of the Castle" campaign. Member donations help sustain and grow our ability to support the many activities of the Engineer Regiment. We need your support and we welcome any amount you can donate.

Help us give back to our fellow Engineers. Your tax deductible donation enables us to:

- * support Soldier recognition programs, Regimental awards and scholarships for our Regiment's soldiers, DA civilians, Engineer units and family members worldwide.
- * provide the means to maintain our high quality *Army Engineer* magazine and upgrade the IT systems for the website, improving member access to their contact information, submit awards and use the regimental store.
- * donate a minimum of \$5000 each year to the Engineer museum.
- * maintain low, affordable annual dues for everyone.

We ask that you be as generous as you can with your support and please do it today. You can fill out the enclosed contribution card and return it with your donation in the pre-addressed envelope or donate online at www.armyengineer.com.

As always, matching corporate contributions, where applicable, are most welcome. The AEA is a 501(c)(3) nonprofit and your donation is tax deductible in accordance with IRS regulations. Questions can be directed to our Executive Director, Dave Theisen at 703-428-6049.

We're counting on you to be a "Guardian of the Castle". ESSAYONS!

Michael Harper
