

REGIMENTAL WEEK

best sapper competition

FORT LEONARD WOOD, MO

24-26 APRIL

One of the toughest competitions in the U.S. Army will start with 50 of the best Army Sappers in the world. One team emerges from the crucible victorious. Leaders from all over the world will come to witness this event.

industry exhibition

NUTTER FIELD HOUSE

- This exhibition provides a unique opportunity to speak with Engineer leaders about the challenges of the complex environment as well as the opportunity to discuss future Army requirements with the MSCoE Combat Development Directorate.
- This important event is an excellent opportunity for captains of industry to demonstrate their products and best practices with key personnel during scheduled one-on-one meetings.
- Our sponsorship program is an excellent way to optimize your company's branding.

regimental awards dinner

NUTTER FIELD HOUSE

28 APRIL

The Chief of Engineers will recognize excellence within the Engineer Regiment across the National Guard, Army Reserve, active duty, and civilian workforce.
